### FACTS FOUND

1. At the end of day 2, the yellow group had 4 races and the blue group had 3 races.
2. The race committee had entered the results of the yellow group, including several UFD scores.
3. To establish the fleet assignments for day 3, the race committee deleted the results of yellow race 4.
4. After race 4 of the blue group, the scores for race 4 yellow were re-entered, but without the UFD scores.
5. At the end of day 3 fleet assignments for final series were done based on that scores.
6. ISR 205331 was assigned to the silver fleet instead to the gold fleet.
