

# Return of Hobie 16 Gold Fleet sails

## INSTRUCTION

On **Friday 21 JUL 2023** after the last Hobie 16 Gold Fleet race, when you come back onshore, please keep up the mainsail and the jib. This until the sails have been controlled by a representative from SLS Hobie Cat Europe.

After that, remove battens from mainsail and jib and tape them all together. Sails including the bag must be folded nicely and packed back into the delivery box.
