## 7. Description Of Incident

Both on portack between mark 1&2, I was downwind of him , around 4meter distance, and he jibe in front of me. I avoid the contact by changing my direction because he didn't finish the jibe ( not the 2 hands on the wing).

This was really close because he was manoeuvrating in front of me. This is the reason of the protest.

## 8. Damage Or Injury
