7. Description Of Incident

We were sailing on starboard on the first upwind leg of race 4 and 9296 was coming up on port on a collision course. They had time and space to avoid. We called starboard over port, but they did not avoid. We thought we would cross them and by the we realized we were going to collide it was too late. The collision occurred. We protested them. They acknowledged our protest and continued sailing without doing their spins, despite the fact that it was safe and clear to do so.

8. Damage Or Injury
