7. Description Of Incident

We were approaching the weather mark on starboard. Storm approached us on port and tacked below us and did not cause us to go above close hauled. Ruth then approached on port tack within the 3 boat length zone and tacked and squeezed round the mark. Storm had to come up to avoid them and we had to go above close hauled to avoid Storm. We hailed Ruth repeatedly with no response and no turns. At the earliest opportunity after Rounding the weather mark and hoisting our Spinnaker we displayed our protest flag.
