## OPTIMIST GOLD CUP RACE VILLAGE

## SPECIAL CONTEST 'Blue Life Cycle-Sustainability Games'

The full information of the contest you can find in

Racing Rules of Sailing and

YC Monfalcone website close to the NOR

We are thrilled to announce that during the event, there will be a special competition: the **Materials Recovery Challenge!**

**BLUE SUSTAINABILITY TEAM LEADER**

Each team will have the opportunity to demonstrate their commitment to **environmental sustainability**.

Each team will be required to select a **'Blue Sustainability Team Leader'** who will represent their team throughout the regatta.

The 'Blue Sustainability Team Leader' will have the important task of leading their team towards a **more sustainable regatta**, making **environmentally conscious decisions** along the way.

Below you will find the **rules** and **entry form** for this material recovery challenge. **Fantastic prizes** will be awarded to the top three teams.

Remember that **every action counts**, and even the smallest choices can make a **big difference** for our planet.

And upcoming materials...
