

Scorpion National Championship 2024

Social Overview

The 2024 Scorpion National Championships social programme is coming together, from SHWAGs lunch to on and off water coaching, it's going to be a week not to be missed. A full social programme will be released on the official notice board in due course, but here's a little teaser...

The week will kick off with the traditional commodore's reception on Saturday evening, a great opportunity to get up to speed with the details of the week ahead, meet up with old friends and chat to new ones. Then on Sunday whilst the sailors head out to race, the SHWAGs will get their prosecco on!

As well as photography and drone footage, Adam Bowers will be joining us for the week, with daily off-water coaching sessions pre-launch, before heading out on the water and sharing his top tips.

But the week wouldn't be complete without post sailing snacks, Pro-Am drinks, games, good food and obviously the annual fancy dress party. Theme to be announced...

There's also loads to do in the Weymouth and Portland area, as usual we will put together information for days out and things to do. Access to and from the club is easy, with the Rodwell trail right outside the door, and as CCSC are planning on keeping the club car free for the week (in order to accommodate us all) it'll be a great chance to get the bikes out! More details on parking options to come, keep your eyes on the official noticeboard for all the event details you need.
