7. Description Of Incident

The 44 had no speed after her own mistake! Her sail was flapping for time !! I was going to the finish line and she tried on purpose to hit me to disqualify me and at first she didn't have speed to hit me as her sail flapped and make me lugh and on second time going close to the finishing line she pushed me again and didn't give me time to finish correct and I avoid the contact to not crush
