## VIRTUAL FLAGSTAFF & TELEGRAM CHANNEL

You can join the Telegram channel via the following link <https://t.me/+fvQWK6QvjB00ZWJI> or the QR code below.

Race officials will use it to communicate unofficially during the event. Please note that this group will not replace the Official Notice Board, and it should be considered like an augmented PA system.

Signals made ashore will also be communicated and displayed via the Telegram channel as a virtual flagstaff. A physical flagstaff ashore will not be used.
