7. Description Of Incident

Last 15 seconds of race number 3 ILCA6 Yellow fleet i was boat handling near the starting line aprox 1/2 near race comitee (10th boat) when a boat (218198 came from behind and crashed on my mainsheet angle and pretend to have space on my leeward when there was no space and a lots of boats.

For make sure everything was complete he pushed my boat with right hand and fortunate i was not taking UFD that race.

After the race i went to spoke to him and he started complaining about pretend space and laughed at me while i was speaking with him. I felt disrespected and sad.

Jury rib was directly behind us i think i might saw the incident.
