Other Comment: i decided to protest 210325 for rule 69 and 2 after seeing his protest on me which i was shocked to see since it holds no ground. i have informed him on land.

7. Description Of Incident

By referring to trac trac, it clearly shows that i ducked behind the witness(CHN 210910) and not CHN 210325. I believe that there was a malicious intent to protest me because i believe that there was no case and i believe he did it solely to disqualify me from a race. Furthermore, he asked his own teammate to be his witness and said that he hailed protest while my witness and i did not hear him hailing protest and he said otherwise in the protest which means that he has lied in a jury room. Due to him and his witness not being truthful in a protest room, hence they have shown unsportsmanlike conduct, which is in breach of rule 69 and rule 2.
