Dear Adrian

RE: Addendum Q

I am happy to confirm that World Sailing has approved the use of Addendum Q for the Medal Races or Final Series Races of the 2022 RS Venture Connect World Championship in Mussanah, Oman.

Please ensure that Addendum Q is published in full on the Official Notice Board alongside a copy of this letter.

It would be very helpful to receive a report following the World Championship on the use of Addendum Q and any recommendations for future implementation at Para events.

Should you require any further information, then please do not hesitate to contact me.

Yours sincerely,

Alastair Fox
Director of Events
