1) ADMISSION

1.1 National and international monohulls classes with loa \geq 6.00 m. as well as offshore keel boats and similar with or without measurement certificates and multihulls with at least two persons crew with loa \geq 5.50 m with or without measurement certificates. Boats without measurement certificates, as an exception to rule 78 WS, shall be allowed to compete if they comply with the navigation

international regulations.

Boats which cannot reach the available number to build up a class (see point 1.3) can enter the race but can only compete for the final results in elapsed time, and both for the final results and for the different trophies in corrected time according to the ORC standards.

Boats that belong to monohull classes, recognized by Fiv, may compete also for the ORC classes trophies if one ORC One design 2023 measurement certificate, for at least one boat of the same class, has been issued (as per ORC 2023 XIV Zona Rules).

Boats will be grouped into three groups with a minimum of 4 boats for each group:

- ORC M (Minialtura): all semi-hull single-hull fixed-weight ballasted boats, (if mobile, must be locked in the race) with LH > than 6 m. and < than 10 mt., displacement (DISPL) < than 2000 kg, a ratio $RDL = (27.87 \times DISPL) / IMSL3 \leq 170$, without trapezes or wings designed to move the weight of the crew outboard. In the case of a great number of entries of this class, it may be divided into 2 subclasses M1 and M2 according to the decisions of the XIV Zona Fiv
- ORC R: all boats not belonging to the Minialtura class as defined above without trapezes or wings
- ORC HI-TECH: all boats with trapezes or wings.

1.2 The Organizing Committee reserves the right to enter or not a boat in **the most suitable group**, to grant possible exceptions on demand, to split the participant boats into classes and categories according to its own standards, and the faculty to assign further prizes as well.

1.3 A class with a minimum of 4 participants will be accepted, unless a special exception decided by the Organizing Committee. Monohulls with foils, ballast keel and canting keel with LOA > 6.00 are admitted. The movement of the keel through manual, mechanic, hydraulic, pneumatic, electric control is allowed.

2) REGATTA RULES

2.1 The Regatta will be regulated by rules as defined by the Racing Rules WS 2021-2024, WS "Offshore Special Regulations" (OSR) – appendix B, Fiv Rules 2023 and the ORC2023 Rules.

Regattas shall be raced according to acknowledge Class.

Regulations currently in force with the exceptions made by the Regatta Instructions.

Copy of the insurance must be attached to the entry form together with the measurement certificate/ORC certificate 2023, if required. See point 4.1

6) STARTING TIME AND TIME LIMIT

6.1 Warning signal will be at 08:20 for all boats taking part in the Regattas.

In case of dangerous weather conditions, the Organizing Committee or/and the Race Committee may decide to postpone the start. Sailors will be sent a e-mail and/or text message to the addresses listed in the entry form.

6.2 The time limit for Trofeo Bettoni will be at 18.30 on the 2nd September; the time limit for the Gorla Trophy will be at 18.00 on the 3rd September.

7) STARTING LINE GROUPS

The pre- starting line will be divided in two sectors. The starting line will be the gate vessel with orange flag. Both lines will be better defined on the sailing instructions

8) RACES COURSES

8.1 Trofeo Bettoni (Saturday 02/09): Bogliaco (start) – Gargnano – Desenzano – Bogliaco (arrival)

8.2 Gorla Trophy (Sunday 03/09): Bogliaco (start) – Limone sul Garda – Capo Reamol – Acquafresca – Bogliaco (arrival).

9) SAILING INSTRUCTIONS

Available only on-line from 28.08.23 on the website www.centomiglia.eu

10) RESPONSIBILITY

10.1 RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone". Therefore, the participants are aware that the sailing activity falls within those governed by Article 2050 of the Italian Civil Code and that all participants must have a valid FIV membership that guarantees accident coverage, including death and permanent disability. Foreign competitors must comply with any requirements of their own MNA and be in possession of accident coverage, including death and permanent disability as per current FIV legislation.

10.2 Circolo Vela Gargnano, the Race Committee and the Jury are not responsible for every damage caused to third persons and to their things, at sea or ashore, in consequence of taking part in the regatta. It shall be the individual responsibility of each yacht to decide whether or not to start or to continue to race, by evaluating carefully the weather conditions and all risk factors. Even if a boat has entered in the Regatta, it doesn't mean that it is able to sail. A boat which retires from the race must immediately inform the Organizing Committee (phone number **+39 3318195186**). Competitors are warned that the organization cannot grant assistance to every yacht during the race.

11) ENVIRONMENTAL RESPONSIBILITY

It is recalled the Basic Principle which states: "Participants are encouraged to minimize any adverse environmental impact of the sport of sailing", it is recommended that care be taken to protect the environment at all times during and after the event. Especially attention is drawn to RRS 47 -TRASH DISPOSAL- which states: "Competitors and support persons shall not intentionally put trash in the water. This rule applies at all times while afloat. The penalty for a breach of this rule may be less than disqualification".

12) SECURITY-TRACKING GPS

12.1 The safety of the boat and its crew is responsibility of the owner, OR of one of its representatives, OR of the skipper, who must assure the good conditions of the yacht, of the mast, of the sails, of the auxiliary engine (if required for the measurement), of the tools and of the on-board equipment. The owner must assure that his crew is able to participate in the regattas, knows where the safety equipment is and how it must be used.

All yachts shall be provided with security equipment as stated by the Safety Rules of each class and by the CVG Regulation and as prescribed by the Italian law and by their own country laws for sailing in internal waters. Each sailor must wear a life jacket during the race. All boats, with trapezes, whose length is > 10 mt. and all multihulls must be followed by a personal tender boat which must be able to rescue and host – if necessary – all members of the crew. Each tender must exclusively refer to its own yacht and must have a suitable flag (with letter 'S' on it).

12.2 In consideration of the proximity of the Capo Reamol mark to the Trentino waters, and since the prohibition of motorized circulation in this area is in force, any motorized support vehicles are recommended not to cross the regional borders.

12.3 Each boat taking part in the regattas must download the application for the tracking gps system (on one or more devices on board).

A notice will be posted concerning installation procedures. Time at some marks can only be measured through the Kwindoo tracking gps application.

If a boat will not round all the marks, it may be protested.

Smartphone application Kwindoo can be freely downloaded from www.kwindoo.com or from the most common marketplace of applications for mobile tools such as Apple Store and Google PlayStore. Further information concerning usage and functions of Kwindoo applications will be available at the secretary office.

13) YACHT CONTROL AND PROTESTS

Yachts can be checked concerning measures, security equipment and general conditions either before or after the race; the request of control will be made either verbally or posted up on the official board and it shall not be refused under pain of disqualification. Possible measurement protests have to be made complying necessary formalities within 18 hours before start.

14) PENALTY:

14.1 RRS Rules 44.1 and 44.2 are modified to taking a one turn penalty, each turn including one tack and one gybe. Every boat which takes a penalty or has retired under rule 31.2 or 44.1 RSS must inform the Race Committee by filling in the proper entry form by the protest time limit. Avoiding to do this, the penalty will not be considered valid.

14.2 Starting penalties: penalties will be applied according to the boat elapsed time.

15) FINAL RESULTS

15.1 Final results will be as follows for Gorla Trophy, Bettoni Trophy and the 73^a Centomiglia (Gorla Trophy + Bettoni Trophy):

- Overall (elapsed time)
- For each single class (elapsed time)
- Overall (corrected time), ORC rules will be applied.

Final results for ORC classes **will be obtained through the system TIME ON DISTANCE OSN (Offshore Single Number).**

The corrected time will result as follows:

$$\text{Corrected time} = \text{Elapsed time} - (\text{ToD} * \text{Distance})$$

“ToD” means Time on Distance coefficient.
