## 7. Description Of Incident

I have been scored as BFD for race 3. I was starting at the pin end, and approached the line on port in the final 30 seconds. I tacked below the fleet and was expecting a general recall, so I did not risk crossing the line and sailed to leeward of the pin end. At the gun I was alongside the pin end boat on its leeward side. I do not believe I was on the course side of the line at any point in the final minute of the starting sequence.
