7. Description Of Incident

Booth boats sailing with wind from BB. I was clear ahead then we come into the zone. 8560 come from eastern and we became a overlap in the zone. I must go down and he came between me and mark 4.

If not to become a collision, we go down.

He was passing us between mark 4 and me.

After I was say protest, he show me his middle finger.

That is not correct sportsmanship! It is a misconduct.

...not fair sailing !

I lost 5 places because of this situation.
