## 7. Description Of Incident

This happened while race R1 on the downwind mark as we are approaching the mark I started yelling twice that I will need space to round the mark without any contact he didn't respond to me. when we got to the mark he started getting closer and started pushing me out and he started touching my kite and he touched my board with his board from that I fall down. I tried to avoid him but he just didn't want to

## 8. Damage Or Injury
