Schedule of races on Sunday 6.08.2023			

Safety meeting at 0900 in Marina Solna.

First possible start of the long distance at 0930 if we go into sea.

Start of the long distance at 1000 if we go into river.

In both cases we will start the long race near Marina Solna inside the harbour.

The decision will be taken at 0830 tomorrow once we see true conditions at the sea and inside breakwater heads.

The sea long distance course will be published this evening.

Generally, it will be up and down the waves with two loops. Distance 6-7km depending of the conditions.

The flat water long distance 8km according to NoR

Mixed relays around 1300.

Closing ceremony after the mixed relays + 1 hour.
