## 7. Description Of Incident

Dear Jury, i ask for a reopen of the case n1.

In my opinion the jury may have made a significant error to declare invalid my request of a hearing.

My request comply with 61.2(a) (protestor 221617 and protestee 199278) as written in the public decision on Official Notice Board.

My request also comply both with RRS 61.2(b) (I described how other boat broke at least rule 14 by hooking me with her mainsheet) and with RRS 62.2 (my request is in writing and identify the reason for making it, because I lost a lot of places and I had some damage caused by the action of ITA 199278).

For this reason I ask to reopen case n1 and to consider my request of a hearing as a protest+request for redress as permitted by 64.1(c).

## 8. Damage Or Injury

Lost a lot of places, damage of the bow and lost my wind indicator
