7. Description Of Incident

Had just bought a brand new PSA laser from Fogh Marine, first time ever sailed. (Got boat here at event) After rounding the leeward mark of the first race the bolts on the hiking strap became undone and the hiking strap was released. I had to retire from the next 3 races as fogh marine repaired the boat, was in 30th at time of incident, would have got 30th in next 2 races.
