7. Description Of Incident

Luca Franchi and I were both going downwind on Starboard during Q10 on the first downwind after the start.

Luca jibed and became port. I directly shout out « STARBOARD » and I've tried to avoid the contact as much as I was able to. We both crashed and I hailed « protest » to him right after. Luca repaired and we continued the race.

8. Damage Or Injury

My frontwing and my leg, and his board.
