**CLUB ACCESS**

It is my pleasure to welcome all the sailors, supporters, and sponsors to the Dubai Duty Free SB20 Middle East Championship 2023. With over 30 teams from multiple nations this is going to be a fantastic event for all.

The highly experienced Race Team led by our very own Nick Fisk along with myself are thoroughly looking forward to delivering a high quality, competitive event.

The race course will be located a short distance from the sailing club. All the action on water will be covered live by Sailmon trackers and telecasted on the big screen. We also have a Media team on and off the water capturing all the actions as they unfold!

Off the water you will be well looked after by an amazing F&B Team. We hope you have as much fun off the water as on the water.

Above all, we really hope all the sailors have a fantastic and memorable time.

A banner for UAE National Day. On the left, there is a 3D rendering of the UAE flag on a flagpole, waving. Below it, a stylized, flowing ribbon of the UAE flag colors (red, green, white, black) curves across the bottom. The background is a dark blue gradient. On the right, there is a vertical blue bar with the text 'UAE NATIONAL DAY' written vertically in white, bold, sans-serif capital letters.

To mark the UAE's National Day on Saturday 02 December, please join us in celebrating the occasion with a Parade of Sail, consisting of a cruise from DOSC to the Burj Al Arab.

If you've not joined a Parade of Sail before, it is a fun way to celebrate important occasions by simply sailing in a line to a destination and back with boats decorated in the theme of the event, in this case, the United Arab Emirates National Day Celebrations.

We will assemble at 2:00 pm outside the DOSC harbour before sailing down to the Burj Al Arab and returning back to DOSC in a loose formation.
