7. Description Of Incident

Downwind Course from RA1 to SI under Spi. We were on the starboard tack with right of way. Maria Giovanna 2 was on port tack coming near to us (Rule Nr. 10: they had to keep clear). We called for the right of way, but there was no change of course from Maria Giovanna 2. To avoid contact we had to change our course and go more down than the wind. There was clearly a chance and enough time for Maria Giovanna 2 to give the right of way before.
