7. Description Of Incident

We asked for a score review over and alleged 30.3 rule failure. We saw the video from the pin end boat and there is no count down from them nor tge RC on the radio, therefore they couldnt know exactly when was the zero seconds to go. I was right at the pin where the difference between been good or over needs to be precisely call as we are the closest boats to the line.

8. Damage Or Injury

No damage
