## 7. Description Of Incident

We noted that the scores have been updated, but there is still one error. The results **should show** USA Orcas (5) and Sweden (6), as we finished 10 seconds before them. Currently the results are reversed. USA Orcas sail number is "1" and Sweden is "7", so perhaps that was the mistake.

We have attached tracker screenshots to show you this. We have also cc'ed our coaches above. Light green is USA Orcas, and dark green is Sweden. Tracker shows USA finishing ahead, as well as always to the right of Sweden therefore crossing the line ahead of Sweden.

We have submitted two scoring inquiries on this issue.
