## 7. Description Of Incident

POL 56369 Pumped the whole second downwind extreme with Spinnaker and mainsail to gain a huge advantage of speed and to shorten the distance between them and the leader GER 57397. Us GER 57223 were at that time in 3rd place directly behind them. We Crew and Helm informed them many times over the whole Downwind with the words Protest. However they did not take a (360) penalty.
