7. Description Of Incident

When heading toward the upwind mark, i was on the port layline and he was approaching from the starboard layline. However, i ducked behind CHN 210910(witness for CHN 210325) and i ducked behind CHN 210325 by 2-3 boat lengths and there was no contact whatsoever. Furthermore, CHN 210325 rounded the mark 3 boat lengths in front of me. CHN 210325 was half a metre in front of the bow of his Witness, CHN 210910. On top of that, i did not hear any hail of protest nor any red flag displayed. I am reopening this case on the basis of new evidence of trackrac.
