7. Description Of Incident

Croatia 219774 and me sailed overlapped on the DW. I rounded mark number 2 before him and he caught up with me on Downwind. I was on the left side looking Downwind and he was right. We were both on starboard. As I caught a wave surfing down to the mark on it I assumed he would keep clear of me as leeward boat but he didn't. And I had to bear away to avoid contact between the boats. There was no collision but I had to keep clear as a leeward boat in order to avoid it.
