7. Description Of Incident

I was on starboard on the start line at 30 seconds to go, Abigail was coming back down onto the line on port and hit into me. There were boats on either side of me and I attempted but was unable to avoid. Abigail then proceeded to tack in front of and to windward of me. Her stern then repeatedly hit into my bow as I was attempting to avoid her rudder. I then repeatedly asked her to do her turns but she failed to do so.
