## 7. Description Of Incident

We were sailing downwind towards the gates, as a boat clear ahead. The German boat was clear astern of us. She got a gust and she sailed into our windward and we became overlapped. We were sailing like this for 5 seconds and we wanted to head up. We started heading up to catch the gust and told her to avoid and gave her initially space to do so. She failed to avoid and we needed to bear away to avoid contact.
