## 7. Description Of Incident

After rounding mark 1 SGP 766 was ahead of me however I came from behind and established an overlap within 2 boats. While maintaining my proper course SGP 766 did not keep clear. As we got closer I shouted leeward to let her know to keep clear. However SGP 766 continued to get closer and ended up hitting my boat. After which I hailed protest and asked her to do a penalty which she ignored and continued sailing. The collision resulted in me having to give sharply losing about 7 places
