7. Description Of Incident

in proper action from race committee

as aus 4 was rounding top mark a rib put up a substitute mark flag

this was way too late of signal aus 4 was already rounding the top mark aus

this action was way too late aus 4 went around all the proper marks due to the substitute being too late

there was no advantage for aus

there was only disadvantage as I was already committed to original course

I put my hands in the air and the guy that made the late signal waved me too keep going

would be extremely unfair to apply penalty aus 4 for this improper action
