7. Description Of Incident

Boat 3 was standing at the starting line almost head to wind. Boat 16 came from astern and positioned themselves with half a boat length distance to leeward of boat 3 and with the bow more heading down. Boat 3 looked like they were not able to control the boat due to lack of speed. Boat 3 bow was bearing away, their jib was still taut and caught the wind they were drifting sideways onto boat 16 and caused damage. Boat 16 could not avoid the contact.
