7. Description Of Incident

We were sailing on port tack approaching the right hand leeward mark clear ahead of RYF 3722 before entering the zone. While entering the zone, we clearly informed RYF 3722 that we needed room at the mark. While taking the spinnaker down inside the zone, RYF 3722 was rounding the mark outside of us and subsequently closed the door in front of us as they rounded the mark. In order to avoid contact, we had to bear away behind his transom and immediately hailed protest. RYF 3722 did not respond and did not do any turns.

8. Damage Or Injury

none. There was no contact
