7. Description Of Incident

On the second run of the green fleet in race 3 we gave a penalty for rocking to SWE 209185. On the rib we agreed that he made not a full two turn penalty because he started on starboard and sailed away on port tack. So we wrote an incomplete penalty in the OTW listing which resulted in a DSQ. After a later discussion and combining what we both saw it could have been a two and a half turn. So we agree it should have been marked in the OTW listing as penalty taken.
