7. Description Of Incident

Request for Redress

On Wednesday, my coach informed to the organiser, MR Ronan, the reception via SMS from supposedly Health and Safety Executive "HSE" that I had close contact with a COVID positive case.

From this moment, Mr Ronan, informed to my coach via whatsapp that I can not continue sailing the championship.

My coach asked to Ronan to checking the validity of the SMS with the police or Public Health Authority and also the official explanation from the organising committee about the decision to dont permit continue my regatta, Until this moment I have no received this kind of official answer.

I took a PCR test following the recommendations of HSE and the result was NEGATIVE but still the organisation don't permit to me continue racing.

Yesterday I didnt sail in the races F1 and F2, following the instructions of Mr. Ronan (OC) and if nothing happens, I will miss the races of today.

For this reason I consider that my score in the series is been significantly worse by the organising authority from the moment that they dont permit to sail without give me any reason in the formal way.

I request from this I.J. to make an arragement in the races of yesterday and today where I were not available to compete and also ask to you the permission to continue the event from today.

I ask to be represented by my coach, David Villalpando, in this request for redress.
