7. Description Of Incident

I was on Starboard halfway up the first beat of second race. 208841 was on port and asked if they could cross. I said no, Starboard. I then repeated starboard even louder. At the last possible second I aggressively bore away to avoid a T-bone collision. I would of hit about 1/3 of the way up his starboard gunwale if I didn't avoid him. He simply ignored my repeated requests to spin and exonerate.

8. Damage Or Injury
