7. Description Of Incident

At mark 3, we GBR were on starboard and USA were on port on a collision course. Within the three boat lengths the USA crash tacked on our bow and we headed up to head to wind to avoid collision. Both boats then rounded the mark with USA ahead of GBR. USA then started a penalty turn by gybing and tacking and from then only completed one more gybe before hoisting the spinnaker to carry on racing. Therefore, USA did not complete a two turn penalty after a rule 10 incident, hence breaking rule 44.1
