## 7. Description Of Incident

Протестираната лодка в зоната на знака премина от несвързано в свързано положение, без да има оставено достатъчно разстояние за безпрепятствено заобикаляне на знака, в следствие на което между двете лодки имаше допир, който не можах да избегна.

Inside the zone the protested boat established an overlap without giving enough space for clear rounding the mark and as a result there was a contact between the two boats, which I could not avoid.
