7. Description Of Incident

As we lined up on port tack prior to the start of race 10, we were to windward of the Black Knight and to leeward of Finnport, with these three boats starting on port. As we approached the fleet who were on starboard, we weren't given room by Germany 1 (Black knight) to duck and avoid boats coming. We had serious close calls with our crew being forced to come off the trapeeze to avoid being taken out by starboard boats wing bars due to Germany not giving us any room.
