LOCAL SAILING INSTRUCTIONS

These LSI complement the NoR/SI

Issued 14 December 2022

2 RULES

- 2.1 The event is governed by the rules as defined in The Racing Rules of Sailing (RRS), Appendix WF
[https://www.sailing.org/tools/documents/DR2105AppendixWFWingfoilingRacingrulesJune2021-\[27358\].pdf](https://www.sailing.org/tools/documents/DR2105AppendixWFWingfoilingRacingrulesJune2021-[27358].pdf)

6 FORMAT AND SCORING

- 6.1 For the men's event, the format will be a long distance series, followed by a qualifying series and final series.
- For the women's event, the format will be a long distance series, followed by a single series.
- 6.2 The long distance series will be scheduled for the first session

NoR/SI 6.4 is deleted and replaced with:

6.4 When the format includes a Qualifying Series:

Wingfoils will be assigned to fleets yellow, blue, red etc., of, as nearly as possible, equal size and ability. Assignments will be made by the race committee based on the wingfoils' standing at the end of the long distance series regardless of pending hearings and will be posted at least 30 minutes before the first warning signal is made. Those assignments will not be grounds for redress. This changes RRS 62.1(a).

Each day will have two sessions. Wingfoils will be reassigned to fleets after each session. If all fleets have completed the same number of races, wingfoils will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets. For three fleets, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow
Seventh	Yellow
etc.	

During each day, reassignments of fleets will be based on the standings available 30 minutes after the last finisher of the previous session, regardless of pending hearings and scoring enquiries.

After the end of racing each day, reassignments of fleets will be based on the standings available at 2100, regardless of pending hearings and scoring enquiries.

If all fleets have not completed the same number of races by the end of a session, scores for the most recent races will be excluded so that all wingfoils have the same number of race scores.

RRS A5.2 is changed so that the scores are based on the number of wingfoils assigned to the biggest fleet.

8 COURSES AND RACING AREAS

8.5 Course Marks will be:

Mark 1, 2, 3:	Orange cylindrical marks
Mark 4:	Yellow cylindrical mark
Finishing marks :	RC vessel and white cylindrical mark
Starting marks	RC vessel and white cylindricalmark

9 STARTING AND FINISHING

- 9.7 For the long distance races a Rabbit start will be used: at the starting signal a Rabbit (a vessel displaying a orange-white start flag) will proceed at high and constant speed from the starting mark to the race committee vessel. The starting line will be between the course side of the starting mark and the stern of the rabbit.
- 9.7.1 A Wingfoil shall not sail between the race committee vessel and the Rabbit from one minute before her starting signal until she starts. If a wingfoil breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting signal.
This changes RRS 36 and A5.
