## 7. Description Of Incident

USA 183 was given a SP at 1106 for AMR 4.1.5, which requires athletes to attend a bib ceremony when requested. There was no clear and apparent formal request made for specific athlete attendance at the skippers meeting within any actionable timeframe, typically viewed as the night prior to any changes made. Only through a telegram sent at 9:56am was there any indication of a bib presentation, which was an unreasonably short amount of time to be able to organize an attendance.
