7. Description Of Incident

Our crew representative couldn't get in time to the hearing.

We were noticed at 15:43 by mail of the protest while approaching the entrance of Port Grimaud. Black Pearl is moored in Port Grimaud and was able to reach its mooring only at 16:05, with a hearing schedule 16:15.

We weren't able to find a different mean to come to the hearing other than by car, from our mooring.

In the meanwhile we therefore informed race committee via VHF channel 8 who received our communication, tried to contact phone number +33 4 94979033/34 without answer and sent a mail to regate@snst.org.

When our crew rep. Andrea Merani reached the jury at 16:35 he was told that it was too late for joining the hearing.

We therefore ask reopening because we did everything possible to reach the hearing at the scheduled time.
