7. Description Of Incident

Both boats were approaching the left hand upwind gate (looking from bottom to top). ITA was in front of GER. ITA went into a tack. After the tack ITA bore away underneath closehauled, because he lost control in the tack. GER bore away immediately as much as possible to avoid a collision, which was impossible. Immediately after the tack of ITA, both boats crashed into each other. The masts touched. The forestay and mast of GER broke. The mainfoil got damaged during the "rescue".

8. Damage Or Injury

GER has a broken mast, forestay and foil.
