Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew (if applicable) and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew (if applicable), their boat, and their other property whether afloat or ashore.
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) Their boat is in good order, equipped to sail in the event, and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extremeweather conditions, as can be practically provided in the circumstances.

26. RIGHT TO USE NAME AND LIKENESS

Attending the event, a competitor automatically grants to the organizing authority, and the sponsors of the regatta the right to make, use and show at their discretion any motion pictures, still pictures and live, taped or filmed television and other reproductions of him or her during the regatta, and of all of his or her material related to the regatta, without a ny compensation.
