7. Description Of Incident

Before rounding the 2nd top mark in Race 9, we were overlapped to leeward of USA 2303.

After the rounding, we were clear ahead of USA 2303 and went for a Hoist.

USA 2303 decided no to hoist and stayed to windward of us, overlapped.

After hoisting, we headed up with our kite filled and 2303 was sailing low to try initiate his hoist.

If the boats kept their courses, there was going to be a clear collision between the boats.

There was a moment when the boats were very close to each other and I had to steer away to avoid contact.

After the first incident, USA 2303 kept on sailing a low mode on us, breaking rule 11 at least 2 more times.
