## 7. Description Of Incident

SGP 52 was approaching the finishing line, sailing downwind, towards the RC vessel end, on starboard tack.

CHN 46 and CHN 611 were approaching the finishing line, sailing downwind, on port tack.

CHN 46 and CHN 611 were overlapped with CHN 611 to leeward and on the outside.

SGP 52 was on covering courses with CHN 46 and CHN 611.

All three boats held their courses.

When the distance between SGP 52 and CHN 46 was around half a boat length, SGP 52 crash gybed and capsized.

CHN 611 also capsized, while CHN 46 continued to sail on.

Contact occurred between SGP 52 and CHN 46.

The incident resulted in a hole in the sail of SGP 52.

No boat took a penalty.

During the hearing of Case 2 the jury learnt that CHN 611, although not a party to the hearing, was involved in the incident and may have broken a rule.

## 8. Damage Or Injury

A hole in the sail of SGP 52 requiring the sail to be replaced.
