7. Description Of Incident

I am boat 8957 protesting boat 9046.

At two boat length circle, boat 8957 has clear established room on boat 9046, both boats are on starboard gybe, and planning to gybe to round the leeward gate to port. There is another boat clear ahead of both boats planning to round ahead.

Both boats 8957 and 9046 douse and then gybe to round, boat 9046 heads up boat 8957 into third inside (initially clear ahead) boat, causing a collision between boat 8957 and inside boat. Boat 8957 hails protest by lifting hand and hailing sail number. Following the incident, boat 9046 is on the outside of the mark rounding. Skipper of boat 9046 then begins to swear repeatedly and deny the incident.
