## 7. Description Of Incident

I was sailing my proper course to the upwind mark on starboard. I was on layline to the boe. China 18 was coming on port, I started screaming to warn her to keep clear. China 18 continued on port pushing without keeping clear. She didn't try to avoid contact with me so I had to slow down by lifting my kite and than bear away. Almost missed the mark because of that and lost some important meters from the other competitors.

## 8. Damage Or Injury

No damage no injury.
