## 7. Description Of Incident

We (812) rounded the left turn leeward gate and took up a close hauled course on port. Within a minute of rounding the leeward mark, 792, who was to leeward by approx a boat length and ahead by approx 1.5 boat lengths, began to luff. We shouted at them not to tack. They continued to tack. We took avoiding action by luffing and tacking, before they had completed their tack onto starboard. Our crash tack ended with us parallel to them on starboard, 0.5 boat lengths to leeward of them. We hailed protest and flew our protest flag from the backstay. 792 did not respond or take a penalty.
