7. Description Of Incident

On behalf of the boat "St James", HUN 4026, in association with Request No. 02 and the associated decision brought by the Protest Committee on August 23rd, we would like to apply for Redress based on RRS 62.1 (b) and Case Book 116. Given the fact that Race 2 was sailed after all in the late afternoon of August 23rd, after our original hearing was complete, St. James was not able to participate in Race 2 due to her damage, and currently has a DNC result for the given race. At the time of Race 2 St. James was ashore, under repairs, courtesy of the approval of the Technical Committee upfront. The hole on the boat has been fixed and laminated by late night on August 23rd, and St. James was back afloat on August 24th at 8:30 AM, and went out on the racecourse today, even though there were no races sailed after all due to poor wind conditions. Nevertheless assuming the weather and wind conditions will most likely allow for further races to be sailed on Friday-Saturday-Sunday, St. James assumes to have valid race results across Races 3, 4, 5, etc.

In alignment with RRS 62.2, we are kindly asking for Redress for Race 2, to have points provided based on the basis of "overall race points / number of races" average at the end of the J24 EC regatta, or any other fair recommendation by the respected committee that could replace the current "43 (DNC)" value.

Happy to be present in the Hearing, should it be scheduled in the remaining days of the regatta.

Kind regards,

Andras Benedict
